HEADMASTER'S DESK:

HAPPY NEW YEAR

Life is a blessing that you only get to live one day at a time.

So make each day a new memory because tomorrow a memory may be all that is left.

May every day of the new year glow with cheer and happiness for you and your family.

May God's richest blessings, truest joys, constant love, tender guidance, unfailing protection and calming peace be yours this coming year.

Wishing you a safe, blessed and successful 2018.
