HEADMASTER'S DESK:

Halfway House Primary hosted a Fun Day on Saturday the 3rd of February 2018 at the school. The event was well attended by parents, learners and the community at large. The learners were delighted to have a variety of inflatables which included water slides, zip-liner, climbing-wall, the rocket house etc.

Parents and community members took the opportunity to showcase and market their products e.g. candy stalls, water-purifiers, clothes and jewellery etc.

Halfway House Primary is very grateful for the continued support from the Midrand SAPS, Fire Station, Riasebetsa Security Services, Multimedia and other supporting partners.

I salute the dedicated staff, SGB, parents and volunteers who assisted in making the event a sterling success.

We thank God for the favourable weather and appreciate the continued support from our parents and the community at large.
